DECLARATION

I understand that there is an inherent risk of physical injury in the practice and learning of a contact sport such as Tae Kwon-Do. Whilst the UKTKD and Association School and Instructors will take reasonable steps to minimize the likelihood of an accident, the risk of physical injury cannot be eliminated. There is particular risk in the context of competitions and grading exercises which by their nature are likely to result in an individual approaching and potentially exceeding their limits of skills and physical abilities. The acceptance of an individuals application to participate in a competition or undertake a grading exercise does not constitute and should not be considered as constituting any form of confirmation or assurance by the UKTKD or any Association School or Instructor to the affect that the individual has the necessary skill or physical ability to safely compete such competition or grading exercise, it being the individuals sole responsibility to judge such matters for themselves.

If an individual has any doubt whatsoever as to their ability to safely complete any exercise in the context of competition, grading or otherwise, it is the responsibility of the individual to withdraw form the same.

The UKTKD and Association School and Instructors accept no liability for injuries sustained in the course of practicing and learning Tae Kwon-Do.

In the signing of this declaration I accept the above recited disclaimer of liability and also agree to abide by the rules of the UKTKD as amended from time to time. Membership takes effect from the date your application has been processed by the UKTKD and should be renewed with your instructor 3-4 weeks before it expires.
